

Auditioning Folks,

Thanks to all who auditioned. It was energetic, interactive, and fun...everything I wished. Unfortunately, I could not cast more than half that auditioned for various reasons. For those of you that made the show, please refer to the rehearsal calendar on the website. For those of you that didn't, please consider helping out with tech needs or costuming. We will also need people to dress up as characters for the tea party as well. I enjoyed watching all of you bravely audition in front of others, and I admire the genuine support you gave to all when performing in an intimidating environment. Class act!

Sincerely,

Mrs. Van Milligen
