I want to personally thank everyone who came out and auditioned. It was an incredibly tough process to select this cast, which is a testament to the talent Schaub and I saw. Thank you for your time, energy, and patience. Auditioning is the worst part of the process for an actor, and not being able to cast everyone who deserves a role is the worst part for a director. If you are not cast, please don't stop auditioning. Continue being brave, and continue acting. You are all so, so, so talented. Much love,

- Ben Mosshamer, Director

- Schaub, Rando Old Guy
