

Thank you to all that auditioned for our Children's Show production. Although I could not give every person that auditioned a part, I hope you consider working on the production in another capacity. Look for build crew and lights and sound information on the Neuqua Theatre website. Should be sharing costume information soon as well. Also, since several cast members are involved in the Improv Show, I will be modifying our schedule for the first two weeks. Thank you again for auditioning! I look forward to working with you.

Sincerely,
Mrs. Van Milligen
